How to hack Windows

Makros?

Embedded OLE objects... <3

~~Javascript~~Jscript files

Social Engineering

Social engineering, [...], refers to psychological manipulation of people into performing actions or divulging confidential information

What usually needed:

- ✦ Create incentive for the user to do something
 - ✦ “Win free IPAD”, “new OWA test access”, “click or lose all files”, “click so you can continue working”
- ✦ Create pressure
 - ✦ “if you don’t click in 2 days, it will be too late”, “click so you can continue working”

Social Engineering:

- ✦ Psychology
- ✦ Sociology
- ✦ Magic
- ✦ Body Language
- ✦ Speaking techniques
- ✦ ...

Non-hacking related:

- ✦ “The Game” (pickup artists)
- ✦ “How to win friends and influence people” (used by salesmen)
